## Recommendations

Use this section to register your recommenders (three recommenders are required).

Candid, frank reference reports or letters of reference help reviewers place your research or teaching proposal within your home institution's current conditions and plans for growth. References also provide evidence of your reputation within your discipline.

- Please provide your referees a copy of your project statement.
- References should be from people qualified to evaluate your professional work; the abilities you bring to the proposed project; your ability to adapt to another country and culture; and the merits of the project itself.
- References can come from your home institution, but at least one of the references should be from a colleague in your field outside your home institution.
- If you have recently moved to a new home institution, one of the reference letters should be from your previous institution.
  
- Choose your referees carefully and contact them early. The letters of recommendation need to accompany the application as it could otherwise be weakened by an insufficient number of references.
- Do not ask someone for a letter of reference unless the person is well acquainted with your qualifications. A pro forma letter from a well-known scholar, a contact abroad or a prominent government official will carry less weight than a realistic assessment of your abilities from someone who knows you and your work well.
- References must be written in or translated into English.
- It is your responsibility to ensure that reference reports are submitted by the deadline.

Referansepersonene må benytte skjema og opplastningsfunksjoner i online-søknaden.

Referansebrev som sendes utenom online prosessen regnes ikke som konfidensielle og vil ikke kunne vurderes. Merk at det er søkerens ansvar å sørge for at alle tre referansebrev er innsendt innen søknadsfristen 1.oktober. Søknaden anses ikke som fullstendig hvis ikke alle referansebrev er innsendt innen fristen.

Once you register your recommenders, they will receive an automatic email with instructions on completing the online recommendation form. You can track the status of recommendations, send reminders, and add/delete recommenders through this system before **and** after submission of your application.
